

ATTENTION SHAREHOLDERS

Effective immediately the watering schedule for Ponderosa Basin will change. Due to EXTREME high-water usage, the threat of fire and possible power outage, we have to be vigilant on these changes. Having staggered watering days gives our system the time to fill tanks that must be full at all times for fire response.

The changes will be: Sat. & Sun. will be split between the days so that they are not back to back. Saturday will be in the AM and Sunday will be PM. Tuesday & Thursday will have a time change. (See below) Please make sure to reset timers to the new schedule. Watering on non-watering days and or the times of watering will be enforced with fines.

Thank you, PBMWC
